Experience

Product Design Lead, Qualia

June 2020 - Present • Austin, TX

Supporting a team of designers responsible for initiatives across multiple product lines. Helping define an evidence-based design process and strategy. Providing designs in support of Qualia's core home closing product and vendor marketplace.

Senior User Experience Designer, Prosper

January 2019 - June 2020 • San Francisco, CA

Drove customer experience across flagship lending products for web and mobile. Partnered with Product to monitor the loan application funnel and optimize based on user testing. Supported the release of a new application funnel by creating high-fidelity designs and ensuring consistency.

Senior UX Designer, Applied Predictive Technologies

August 2016 - Nov 2018 • Arlington, VA

Implemented an iterative homepage overhaul and information architecture upgrade. Helped establish the nascent design team and develop platform best practices.

Technology Consultant, Palau Ministry of Education

Summer 2016 • Koror, Palau

Built a lesson planning tablet application for Palauan teachers in grades K-8.
